## CREATE YOUR GENIUS

Is your genius a person or something else? If something else, what?	
What does your genius wear? What do they look like?	
What does your genius do in their free time when they're not with you?	
What is your genius doing when they should be helping you, but aren't?	
Where does this genius live? Does it live in your home? Or somewhere else? He lived there? Where did it originate from?	as it always
What is the genius's backstory? Who else has it been a genius for in the past? 'now? Do you share your genius with anyone else?	What about
What is your genius's favorite work that you two have created together? Does have any projects he/she really hopes you'll pick up soon?	your genius
